

Festival of Fears 2025

Celebrate 5 Years of Fears at the Festival of Fears this Fall! This will be our final year in our current location, so we're going all out with our biggest event yet!

With all new haunted houses, bigger sets, new special effects, more scares, and monsters around every corner; the Festival of Fears is more immersive and scarier than ever before!

The 2025 event is the ultimate Halloween celebration. This season features 6 unique haunted attractions including 3 full-length haunted houses, an interactive laser blaster haunted house, a scare zone, a sensory effects maze, and our brand new monster museum! Additional offerings include the Lost Soul's Tavern - which serves specialty alcoholic and non-alcoholic beverages, a gift shop stocked with Halloween themed items, Mourning Glory's Curious Finds - a specialty gift shop featuring locally-made oddities, VIP experiences, photo ops and more!

We want everyone to celebrate 5 Years of Fears with us - so to help keep costs down, we are paying ALL your processing fees, service fees, and sales taxes. The price you see is the price you pay, online and in-person.

Our Full Admission tickets are the best value tickets we offer! Featuring UNLIMITED access to all 6 of our haunted attractions all night long, these tickets are good for a whole night of screams. Full Admission tickets are \$50 per person - all full admission tickets purchased online include a complimentary beverage from the Lost Soul's Tavern. Not looking for an entire night of screams? Our Base Admission tickets feature access to 2 of our haunted houses ("Into the Festival of Fears" and "Jacks Vs. Creaks"). These tickets are \$30 per person. Express Entry and Monster Makeover Experiences can also be added to your tickets for the biggest fans.

The Festival of Fears is located behind the Santa Rosa Mall in Mary Esther, FL. The Festival of Fears is open on select nights from September 26th - November 1st.
