

# Zombie Prom 2025

## Festival of Fears

Celebrate Halfway to Halloween with the Festival of Fears Zombie Prom! Hosted by DJ Doc Roc, Zombie Prom features a dance party, costume contest, specialty alcoholic and non-alcoholic drinks, photo ops AND 2 special edition haunted houses. These haunted houses are some of the scariest attractions we open all year long where guests will come face-to-face with hordes of zombies and complete darkness. Grab your friends and get ready to party, dance, and scream the night away at Zombie Prom!

**Zombie Horde Haunted House:** This attraction brings a classic twist to one of our fan-favorite haunted houses. Filled with hordes of roaming zombies, you'll never know where the next scare is coming from and each trip through the haunted house will be vastly different.

**Blackout Haunted House:** Consistently one of our scariest haunted attractions of the year, guests enter the haunted house with only a glow-stick for light. You can't see them, but the monsters certainly can see you! This haunted house gives guests a sneak peek at an all new attraction being set up for the Fall Halloween season as it uses this new layout for the blackout haunted house.

Tickets to the party are \$30 per person and include a single trip through each haunted house. VIP tickets are also available and include a drink voucher and UNLIMITED admission to both haunted houses all night long! The 2025 Zombie Prom is Saturday May 3rd from 7:00 PM - Midnight. Tickets are available online at the discounted price of \$25 or in person at the ticket desk.

The Festival of Fears is located in the former JC Penney's at the Santa Rosa Mall in Mary Esther, FL.
